

**Fundraising events and the generosity of the community
allow us to give Experiences at NO COST to YOU**

What is an Experience?

*Any customized excursion you can think of to take your mind off of cancer treatment. Whether you prefer a sporting event, a concert/play, a day at the spa, outdoor activities, or something else...
... anything that will help you feel like you, feel joy, and experience life.*

Our Experience Specialist will craft your customized Experience for an afternoon or evening of joy that suits you and your loved ones! All YOU do is show up!

How Do I Qualify?

- Be undergoing cancer treatment when requesting an Experience
- Be at least 18 years old
- Reside in our Service Area
- Visit us at www.nightoutforyou.org

Night Out For You

was created to spread joy to adults
undergoing cancer treatment

Our Mission

Giving adults, who are undergoing
cancer treatment, a night out to
remember who they are by
forgetting about their diagnosis
for a few hours...

... we call it an *Experience*
